

FOR INFORMATION ABOUT:

The Ryan White Planning Council

Approximately 40 community volunteers appointed by the County Judge and tasked with designing and attaching funds to HIV services for the 10-county area. Call 713 572-3724 or visit our website www.rwpchouston.org for an application.

Ryan White Committee & Workgroup Meetings

Annually in February, the Ryan White Planning Council releases a calendar of Council, Committee and Workgroup meetings, as well as public hearings. These meetings are open to anyone who wishes to observe or make public comment. Call 713 572-3724 to receive annual or monthly calendars or go to our website www.rwpchouston.org.

Project L.E.A.P.

A free, 17-week class that provides a basic understanding of Houston’s HIV prevention and care systems and how consumers and others can have a voice in designing these systems. An application is required; see the enclosed flyer or visit our website: www.rwpchouston.org.

FOR INFORMATION ABOUT:

Community Planning Group (CPG)

Approximately 25 community volunteers selected to ensure that scientific evidence and community values are incorporated into Houston Health Department HIV-related work products. Application required.

Contact: Cathy Wiley at cathy.wiley@houston.tx.gov

Consumer Advisory Boards (CAB)

See enclosed list of local consumer advisory boards and task forces, see enclosed list for contact information.

Patient Mentor

To apply to be a patient mentor at Thomas Street Health Center contact the Manager of Volunteer Resources at 713 873-4507.

Positive Organizing Project (POP+)

A free, 6-week advocacy training program that teaches advocacy and leadership skills to promote greater involvement by HIV+ individuals in issues that impact the HIV/AIDS community. For an application, contact Venita Ray at 713 299-6123 or vray@legacycommunityhealth.org.
