RECOMMENDATION

Expand Referral for Healthcare to include general referral services (standalone service)

- This will allow access to general referrals
- Increase linkage services
- Better align with the current needs of clients

Modify language to focus on Texas HIV Medication Program (THMP) so we include all programs provided through DSHS for medication assistance.

Include requirement for RFHC-AEW staff to refer clients to HIA as appropriate.

- Revise statement to read: AEW's will educate and refer PLWH to Health Insurance Assistance as applicable, specifically if the client is accessing TIAP.
