

Mission

“To work in partnership with the community to provide an effective system of HIV prevention and care services that best meets the needs of populations infected with, affected by, or at risk for HIV.”

*Houston Area Comprehensive HIV Prevention and Care Services
Plan for 2012 through 2014*

Vision

“The greater Houston Area will become a community with a coordinated system of HIV prevention and care, where new HIV infections are rare, and, when they do occur, where every person, regardless of age, gender, race/ethnicity, sexual orientation, gender identity, or socio-economic circumstance, will have unfettered access to high-quality, life-preserving care, free of stigma and discrimination.”
