HRSA Service Category Title: RWGA Only	Medical Case Management	
Local Service Category Title:	Clinical Case Management (CCM)	
Budget Type: RWGA Only	Unit Cost	
Budget Requirements or Restrictions: RWGA Only	Not applicable.	
HRSA Service Category Definition: RWGA Only	<i>Medical Case Management services (including treatment adherence)</i> are a range of client-centered services that link clients with health care, psychosocial, and other services. The coordination and follow-up of medical treatments is a component of medical case management. These services ensure timely and coordinated access to medically appropriate levels of health and support services and continuity of care, through ongoing assessment of the client's and other key family members' needs and personal support systems. Medical case management includes the provision of treatment adherence counseling to ensure readiness for, and adherence to, complex HIV/AIDS treatments. Key activities include (1) initial assessment of service plan; (3) coordination of services required to implement the plan; (4) client monitoring to assess the efficacy of the plan; and (5) periodic re-evaluation and adaptation of the plan as necessary over the life of the client. It includes client-specific advocacy and/or review of utilization of services. This includes all types of case management including face-to-face, phone contact, and any other forms of communication.	
Local Service Category Definition: Target Population (age,	Clinical Case Management: Identifying and screening clients who are accessing HIV-related services from a clinical delivery system that provides Mental Health treatment/counseling and/or Substance Abuse treatment services; assessing each client's medical and psychosocial history and current service needs; developing and regularly updating a clinical service plan based upon the client's needs and choices; implementing the plan in a timely manner; providing information, referrals and assistance with linkage to medical and psychosocial services as needed; monitoring the efficacy and quality of services through periodic reevaluation; advocating on behalf of clients to decrease service gaps and remove barriers to services helping clients develop and utilize independent living skills and strategies. gender, geographic, race, ethnicity, etc.):	the Houston EMA with priority given to clients most in need. All clients who receive services will be served without regard to age, gender, race, color, religion, national origin, sexual orientation, or handicap. Services will target low income individuals with HIV/AIDS who demonstrate multiple medical, mental health, substance use/abuse and psychosocial needs including, but not limited to: mental health counseling (i.e. professional counseling), substance abuse treatment, primary medical care, specialized care, alternative treatment, medications, placement in a medical facility, emotional support, basic needs for food, clothing, and shelter, transportation, legal services and vocational services. Services will also target clients who cannot function in the community due to barriers which include, but are not limited to, mental illness and psychiatric disorders, drug addiction and substance abuse, extreme lack of knowledge regarding available services, inability to maintain financial independence, inability to complete necessary forms, inability to arrange and complete entitlement and medical appointments, homelessness, deteriorating medical condition, illiteracy, language/cultural barriers and/or the absence of speech, sight, hearing, or mobility. <i>Clinical Case Management</i> is intended to serve eligible clients, especially those underserved or unserved population groups which include: African American, Hispanic/Latino, Women and Children,
	Veteran, Deaf/Hard of Hearing, Substance Abusers, Homeless and Gay/Lesbian/Transsexual.
Services to be Provided:	Provision of Clinical Case Management activities performed by the Clinical Case Manager.
	<i>Clinical Case Management</i> is a working agreement between a client and a Clinical Case Manager for a defined period of time based on the client's assessed needs. <i>Clinical Case Management</i> services include performing a comprehensive assessment and developing a clinical service plan for each client; monitoring plan to ensure its implementation; and educating client regarding wellness, medication and health care compliance in order to maximize benefit of mental health and/or substance abuse treatment services. The <i>Clinical Case Manager</i> serves as an advocate for the client and as a liaison with mental health, substance abuse and medical treatment providers on behalf of the client. The Clinical Case Manager ensures linkage to mental health, substance abuse, primary medical care and other client services as indicated by the clinical service plan. The Clinical Case <i>Manager will perform Mental Health</i> and <i>Substance Abuse/Use</i> <i>Assessments</i> in accordance with RWGA Quality Management guidelines. Service plan must reflect an ongoing discussion of mental health treatment and/or substance abuse treatment, primary medical care and medication adherence, per client need. <i>Clinical Case Management is</i> both office and community-based. Clinical

	Case Managers will interface with the primary medical care delivery system as necessary to ensure services are integrated with, and
	complimentary to, a client's medical treatment plan.
Service Unit Definition(s):	One unit of service is defined as 15 minutes of direct client services
RWGA Only	and allowable charges.
Financial Eligibility:	Refer to the RWPC's approved Financial Eligibility for Houston
	EMA Services.
Client Eligibility:	HIV-infected individuals residing in the Houston EMA.
Agency Requirements:	Clinical Case Management services will comply with the HCPHS/RWGA published Clinical Case Management Standards of Care and policies and procedures as published and/or revised, including linkage to the CPCDMS data systemClinical Case Management Services must be provided by an agency with a documented history of, and current capacity for, providing mental health counseling services (categories b., c. and d. as listed
	under <i>Amount Available</i> above) or substance abuse treatment services to PLWH/A (category a. under <i>Amount Available</i> above) in the Houston EMA. Specifically, an applicant for this service category must clearly demonstrate it has provided mental health treatment services (e.g. professional counseling) or substance abuse treatment services (as applicable to the specific CCM category being applied for) in the previous calendar or grant year to individuals with an HIV diagnosis. Acceptable documentation for such treatment activities includes standardized reporting documentation from the County's <i>CPCDMS</i> or Texas Department of State Health Services' <i>ARIES</i> data systems, Ryan White Services Report (RSR), SAMSHA
	or TDSHS/SAS program reports or other verifiable <u>published</u> data. Data submitted to meet this requirement is subject to audit by HCPHS/RWGA prior to an award being recommended. Agency-
	generated non-verifiable data is not acceptable. In addition, applicant agency must demonstrate it has the capability to continue providing mental health treatment and/or substance abuse treatment services for the duration of the contract term and any subsequent one-year contract renewals. Acceptable documentation of such continuing capability includes <u>current</u> funding from Ryan White (all Parts), TDSHS HIV-related funding (Ryan White, State Services, State-funded Substance Abuse Services), SAMSHA and other ongoing federal, state and/or public or private foundation HIV- related funding for mental health treatment and/or substance abuse
	 treatment services. Proof of such funding must be documented in the application and is subject to independent verification by HCPHS/RWGA prior to an award being recommended. Loss of funding and corresponding loss of capacity to provide mental health counseling or substance abuse treatment services as applicable may result in the termination of Clinical Case Management Services

	awarded under this service category. Continuing eligibility for Clinical Case Management Services funding is explicitly contingent on applicant agency maintaining verifiable capacity to provide mental health counseling or substance abuse treatment services as
	applicable to PLWH/A during the contract term. Applicant agency must be Medicaid and Medicare Certified.
Staff Requirements:	Clinical Case Managers must spend at least 42% (867 hours per FTE) of their time providing direct case management services. Direct case management services include any activities with a client (face-to-face or by telephone), communication with other service providers or significant others to access client services, monitoring client care, and accompanying clients to services. Indirect activities include travel to and from a client's residence or agency, staff meetings, supervision, community education, documentation, and computer input. Direct case management activities must be documented in the Centralized Patient Care Data Management System (CPCDMS) according to CPCDMS business rules.
	Must comply with applicable HCPHS/RWGA Houston EMA/HSDA Part A/B Ryan White Standards of Care:
	Minimum Qualifications: Clinical Case Managers must have at a minimum a Bachelor's degree from an accredited college or university with a major in social or behavioral sciences and have a current and in good standing State of Texas license (LBSW, LSW, LMSW, LCSW, LPC, LPC-I, LMFT, LMFT-A or higher level of licensure). The Clinical Case Manager may supervise the Service Linkage Worker. CCM targeting Hispanic PLWHA must demonstrate both written and verbal fluency in Spanish.
	Supervision: The Clinical Case Manager (CCM) must function with the clinical infrastructure of the applicant agency and receive supervision in accordance with the CCM's licensure requirements. At a minimum, the CCM must receive ongoing supervision that meets or exceeds HCPHS/RWGA published Ryan White Part A/B Standards of Care for Clinical Case Management. If applicant agency also has Service Linkage Workers funded under Ryan White Part A the CCM may supervise the Service Linkage Worker(s). Supervision provided by a CCM that is <u>not</u> client specific is considered indirect time and is not billable.
Special Requirements: RWGA Only	Contractor must employ full-time Clinical Case Managers. Prior approval must be obtained from RWGA to split full-time equivalent (FTE) CCM positions among other contracts or to employ part-time staff. Contractor must provide to RWGA the names of each Clinical Case Manager and the program supervisor no later than 3/30/17. Contractor must inform RWGA in writing of any

changes in personnel assigned to contract within seven (7) business days of change.
Contractor must comply with CPCDMS data system business rules and procedures.
Contractor must perform CPCDMS new client registrations and registration updates for clients needing ongoing case management services as well as those clients who may only need to establish system of care eligibility. Contractor must issue bus pass vouchers in accordance with HCPHS/RWGA policies and procedures.
